

KDR1 one-piece base plates for control cabinets

When assembling the KEL-DP by directly pushing it into the base plates, you will achieve an effective assembly advantage.

KDR one-piece base plates						
Control cabinet type	Control cabinet width in mm	Total length base plate (A) in mm	Sight size of the base plate opening in mm = A-22 mm	Number of possible cable entries		Order No.
				KEL-DP 24/... and KEL-QTA 24/...		
TS 8	600	458	436	one-row	3	43028
				two-row	6	43012
	800	658	636	one-row	4	43024
				two-row	8	43008
	1000 with Division bar	420	398	one-row	2	43018
				two-row	4	43006
	1000 without Division bar	858	836	one-row	5	43016
				two-row	10	43004
	1200	518	496	one-row	3	43020
				two-row	6	43000
