

# KEL-SNAP snap frames

icotek KEL-systems can be assembled very quick with KEL-SNAP no tool needed!

## KEL-SNAP-system is available in four sizes:

- Type B4 (cutout size 38 x 46 mm)
- Type 10 (drilling template for 10-pole connectors)
- Type 16 (drilling template for 16-pole connectors)
- Type 24 (drilling template for 24-pole connectors)

Instead of 36 mm, width of the cut-out can also be chosen 46 mm. Thus pre-fabricated heavy connectors can be used with our KEL-system.

Patent

## Advantages of the KEL-SNAP-system:

- Upon disassembly (e.g. maintenance) screwing and unscrewing of KEL-frame is not applicable.
- KEL-SNAP-system features integrated seals on both sides.
- Drilling template identical to KEL-frame.
- Save time – control cabinets / j-boxes can be prepared with KEL-SNAP by the cabinet builder

The KEL-SNAP system supplements our systems:  KEL (Page 6 - 10)  KEL-FG (Page 14)  KEL-Quick (Page 30)
